Company Profile

# COMPANY INTRODUCTION

# INTRODUCTION

Al Ghamdi Co. commenced its operations 48 Years ago by Sheikh Mohammed Al Ghamdi and Sheikh Mohammed Al-Issa. We are one of the leading companies in the Kingdom of Saudi Arabia dealing in sanitary ware fixtures, fittings, accessories. We enjoy very good reputation among our clients and our after sales customer services are widely appreciated.

We are Sole & Exclusive agents in the Kingdom for American Standard / Ideal Standard and Bobrick the world's most leading manufacturers of Residential, Commercial and Institutional Sanitary ware Fixtures & Fittings and Accessories.

The production ranging from most elegant and luxurious, high quality stainless steel accessories, vitreous china fixtures, handsome acrylic Bath tubs/ Whirlpool to a common bathroom available in superb craftsmanship with a wide range of today's most wanted colours.

Messrs American Standard Inc. U.S.A and Bobrick has a very practical approach while designing and manufacturing the Hospital fixtures, fittings and accessories which not only have the vital hygienic quality but also quite easy to use by the handicaps and patients.

## OUR **STRENGTH**

### SHOWROOMS

We have well appointed and pleasantly furnished showrooms in Riyadh & Jeddah that effectively cater to the retail demand in the respective cities and its hinterland.

### PROJECTS SALES DEPARTMENT

We have full-fledged Projects Sales Department to look after the needs and requirements of the various projects, consultants / contractors and other institutional clients. We have been involved in the supply and delivery of our materials to many prestigious projects and clients. The Project Sales is the thrust area for the company at present and we are continuously expanding our horizons in this area.

### EMPLOYEES

They are the biggest asset of the company. We have qualified, talented and dedicated team of employees in all our departments to serve the client optimally.

# COVERAGE

## COVERAGE

We have an encompassing presence in the major city like Riyadh and Jeddah. We also have reached to interiors of the region through a fleet of delivery vehicles thus ensuring delivery of the materials right at the doorsteps of the customer.

## INFRASTRUCTURE

We represent the pioneer of sanitary ware in the world with the sales of over \$ Seven (7) billion and 94 manufacturing plants in 32 countries all around the world. Research and Engineering are located in Germany who is responsible for coordinating product development and insuring highest quality standard in each factory. In accordance with ISO 9001, En29001, BS5750. We have got all the systems in place to provide efficient service to our customers. Fully computerised offices and showrooms, a huge central warehouse in Riyadh & Jeddah and delivery vehicles are there to serve the customers in every nook and corner of the prospective region. Specially trained and dedicated team of labours are available to attend our customer need.

## FINANCE

The company has been in operation since years and our financial viability is our major strength. The strong financial position has played an important role in the spectacular growth of the company over the year of existence.
